**WHAT HAPPENS AT ALPHA?**

The session will begin with a short time of worship (a song and a prayer)

We will then look at one of a series of talks on DVD given by Rev Nicky Gumbel. These help us with topics related to the Christian faith and aim to explore questions such as: What is the point of life? What happens to us when we die? What relevance does Jesus have for our lives today? How do we pray?

After the talk we will enjoy some refreshments and will then take time to discuss any issues or questions we may have, giving opportunity to get to know each other and learn together.

---

There will be no pressure ! - Our aim is to provide an atmosphere in which all can relax. Our hope is that it will be fun as we learn and share together.
